

DAIRY CREEK COMMUNITY FOOD WEB

*A non-profit organization that strives to
make connections within a local food system*

MISSION

To promote the local food community in western Washington County by exchanging knowledge and resources to grow, process, share, and celebrate nourishing food.

THE WORK

- **3,700 lbs of food gleaned from very few people who made runs to Solid Life Food Pantry**
- **Volunteers a'plenty! From harvesting to building to weeding - volunteers like Rick used recycled materials from his work at New Seasons in Forest Grove to build the garden boxes!**
- **675 lbs of food from this garden alone!**
- **Covered boxes but the windstorm won!**

AND MORE WORK...
